

QBVT 2024/25

Key Changes From Last Season

In response to Player Survey responses the following key changes have been made from last season:

1) New regional location

Hervey Bay has been added to the calendar, increasing the number of non-SEQ events and increase exposure to a new area

2) Mooloolaba is back !

We couldn't get a booking on the beach last summer but Mooloolaba is now back. You wanted more Sunshine Coast events, get around this one.

3) Feedback

According to the Player Survey many are unsure of how to provide feedback. So for every tournament we'll add a button on the QBVT webpage under where you enter for each event for post-event feedback

4) Player Awards Voting

To make end-of-season voting easier, we will take nominations for each category after every tournament. These will then be used to produce a short-list for voting at the end of the season. Look for the button:

Post-Event Feedback + Voting

5) Junior QBVT Champs

With many juniors unable to attend the QBVT Champs in the school holidays (& after AYBVC) we have brought them forward.

They will now be part of Round 13 at Coolangatta (8 March, 2025)

6) QBVT Championships

We had mixed feedback on only the top 8 teams in each division at last year's QBVT Championships... so we have increased it to 12 teams per division (Prem + Chall).

Eligibility criteria still apply (see Player Handbook).
